Liquid

Dietary Supplement

contains: Alcohol 5.4% v/v

TAMPER EVIDENT: Do not use if the
tamper-evident safety band around cap is
missing or broken.

8 FL OZ (237 mL)

DIRECTIONS: Adults: **SHAKE WELL BEFORE USE.** Take 1 tablespoonful (15 mL) daily with food. Not formulated for use in children.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6.
KEEP OUT OF REACH OF CHILDREN. In case of overdose, get medical help or contact a Poison Control Center right away.

As with any supplement, if you are pregnant, breast-feeding, or taking medication, ask a health professional before use.

Important: Long-term intake of high levels of Vitamin A (excluding that sourced from beta-carotene) may increase the risk of osteoporosis in adults. Do not take this product if taking any other Vitamin A supplement.

Store at controlled room temperature 20°-25°C (68°-77°F).
Keep tightly closed. Protect from freezing. For institutional use only.
