**Be Active.
Be Comfortable.
FEEL GREAT!**

Healthy Ligaments & Tendons™ helps you live your active best.

Ligaments and tendons hold joints together and connect muscles to bones. Formed from bands of connective tissue, they need nutrient support to help you stretch, walk, run, and feel great throughout the day.*

Healthy Ligaments & Tendons supports:

- Flexibility and comfort
- Strong, stable ligaments and tendons
- Healthy connective tissue formation
- Healthy collagen production*

Healthy Ligaments & Tendons is ideal for supporting flexible, elastic connective tissue, especially in the hands, wrists, elbows, shoulders, knees, and heels.*

Stretch Your Expectations!

The powerful botanicals, active B vitamins, and readily-absorbed minerals in **Healthy Ligaments & Tendons™** support elasticity, comfort, and strength.*

Ingredient	Benefits
Boswellia	Overall comfort and flexibility*
Bromelain	Formation of healthy tendons*
Vitamin C	Collagen synthesis to form ligaments and tendons*
Niacinamide	Structural integrity of healthy cartilage*
Active B6 and B12	Healthy muscle function, muscle relaxation, nerve function, and energy levels. Active B vitamins require no conversion by the liver and are easily used by the body*
Magnesium	Muscle relaxation and post-exercise recovery*
Manganese	Activation of prolidase, an enzyme essential for collagen formation*
Zinc	Protein synthesis for connective tissue formation*
