- Relieves occasional dry eyes due to sun, wind, contact lenses, aging, personal electronics, or computer use
- Helps replenish *and* retain proper eye moisture*
- SBA24® sea buckthorn oil is a clinically studied blend of sea buckthorn pulp and seed oil extracts
- Features the rare Omega-7 fatty acid

Need Relief? You've Found It!

Omega7 Dry Eye Relief** has the rare Omega-7 you're looking for, plus a range of essential nutrients for healthy eye moisture and comfort.*

Eye Moisture & Comfort*

Not all sea buckthorn products deliver Omega-7 fatty acids. That's because Omega-7 is found only in the pulp of the berry, not the seed oil. **Omega7 Dry Eye Relief**** combines sea buckthorn berry pulp *and* seed oil for optimal benefits. The berry pulp delivers Omega-7, while the seed oil supplies additional essential fatty acids, for beneficial Omega-3, Omega-6, and Omega-9.

Omega7 Dry Eye Relief** provides an unbeatable combination of each for the benefits you expect!
