

- **25 Grams of Protein per serving**
- **Packed with 5 different Proteins**
- **Provides Whey Protein Concentrates & Isolates**
- **High in Essential Amino Acids**
- **High in Natural BCAAs**
- **Low in Fat**
- **Instantized: Mixes easily with a spoon**
- **Tastes absolutely delicious**

MUSCLE INFUSION is an advanced multi-protein formula supplying your muscles with 25 grams of high-quality protein per serving. Rather than just focusing on a single protein source **MUSCLE INFUSION** is packed with five different proteins. **MUSCLE INFUSION** is high in essential amino acids which are the true building blocks of muscle. It's a great glutamine source and with its naturally occurring high level of BCAAs it helps fuel muscle repair and growth. To support your quest for lean muscles, **MUSCLE INFUSION** is very low in fats. It tastes absolutely delicious and mixes easily with a spoon.[†]
