

Suggested Directions

Initial use: Take 1 capsule twice daily on an empty stomach.

Maintenance use: 1 capsule each day on an empty stomach.

Caution: If you are hypersensitive, start this program at only one capsule per day or every other day and gradually increase until the above amounts are reached.

Discontinue use if you experience abdominal pain, vomiting, diarrhea, nausea, headaches, fatigue or allergic reaction. Consult a physician if any of these symptoms occur.

Do not use if you are pregnant or nursing. If you have a medical condition or are under the age of 18, consult your physician before using this product.

Contains: Milk
