NATURAL FORCE ALPHA STRENGTH® is a two-stage blend of anabolic herbs and superfoods designed to increase testosterone and blood ATP levels. It contains shilajit, known in Ayurveda as "The Destroyer of Weakness." This thick, tar-like adaptogen is formed by compressed rocks in the Himalayan Mountains and has been used since ancient times to support male reproductive health. Clinical studies demonstrate that PrimaVie® shilajit enhances male sexual function and promotes healthy testosterone levels.^Δ This unique blend combines shilajit with tribulus and other time-tested, traditional alpha-male herbs to ramp up your performance gains. Go ahead, destroy all weakness, and feel what it means to have ALPHA STRENGTH!
