60 Vegetable Capsules

Human MicroFlora (HMF) probiotics have been extensively researched, including randomized, placebo-controlled human clinical trials. These proprietary strains are compatible with the human gastrointestinal tract and are selected based on their high quality and viability.

Recommended Dose: Take one capsule two times daily with meals or as recommended by your healthcare practitioner. **Risk Information:** Do not use if you have an immune-compromised condition. Not to be taken by pregnant or lactating women. Consult your healthcare practitioner prior to use if you are taking prescription medication as citrus bioflavonoids may alter the effectiveness of these medications. Consult your healthcare practitioner prior to use if you are taking any medication or have any health condition. Discontinue use and consult your healthcare practitioner if symptoms of digestive upset occur. **Guaranteed** to contain no added wheat, gluten, soy, artificial coloring or flavoring, antimicrobial preservatives, dairy or animal products. Ideal for vegans. **The capsules** are made from 100% pure vegetable sources, free of preservatives and additives. **Quality Assurance:** Safety-sealed for your protection and for product freshness. Do not use if the blister pack has been tampered with. Room temperature storage is recommended. Keep out of reach of children.
