DIETARY SUPPLEMENT

Directions: As a dietary supplement, take two tablespoons (30 mL) once daily, preferably with a meal or as directed by a healthcare practitioner.

Bluebonnet's Liquid Super Earth[®] Multinutrient Formula is bursting with over 25 crucial vitamins, minerals and antioxidants and more than 28 important plant-based nutrients from the foods you should eat everyday, such as American ginseng, astragalus, quercetin, rutin and ginger, health-promoting greens like spirulina and chlorella and phytonutrient super fruits and vegetables like beets, mango, cranberry, acerola and pomegranate that also provide its naturally delicious tropical fruit flavor.♦

Since the human body requires a broad range of nutrients for general health and well-being, Bluebonnet's Liquid Super Earth[®] Multinutrient Formula is a SUPER choice to help bridge the nutrient gap in your daily diet. So if you feel that you should be getting most of your nutrients from the foods you eat and want a multivitamin & mineral supplement to support that philosophy, look to Bluebonnet's Liquid Super Earth[®] Multinutrient Formula and reap the benefits of taking two naturally delicious spoonfuls per day of fresh whole food essentials. A perfect choice for today's busy, stressful lifestyle.♦

Contains: Soybeans

Free of milk, egg, fish, crustacean shellfish, tree nuts, peanuts and wheat. Also free of yeast, gluten and barley.

Shake well before serving. Keep refrigerated after opening.
