

Directions: As a dietary supplement, take one softgel daily, preferably with a meal or as directed by a healthcare practitioner.

Bluebonnet's Natural Beta-Carotene 25,000 IU Softgels contain one the highest quality antioxidant complexes on the market, Betatene®, which includes the safe and natural precursor form of vitamin A, beta-carotene along with other naturally occurring mixed carotenoids (alpha-carotene, zeaxanthin, lutein and cryptoxanthin) from the algae *Dunaliella salina* harvested in the crystal clean lakes of Whyalla, Australia. Available in easy-to-swallow softgels for maximum assimilation and absorption.

Betatene® is a registered trademark of BASF SE.
