

EXTENDED RELEASE

ENDUR-THINE®
 (NIACIN - PANTETHINE)

500 MG / 200 MG

Dietary Supplement

200 Tablets

Directions: As a dietary supplement for adults, take one tablet daily with food. Do not exceed one tablet daily without consulting a physician.

These tablets are specially manufactured to release the active ingredients continuously over a 5-7 hour period.

It is normal for this product to have a distinctive botanical odor.

Caution: Temporary flushing, itching or warming of the skin may occur. Do not use without the advice of your physician if you consume more than modest amounts of alcohol, have poorly controlled diabetes, liver disease, gout, active peptic ulcer disease, or unstable angina.

Keep out of the reach of children.
