

Shaking not  
required to  
dispense  
drop.

**Bluebonnet**

Turn bottle  
upside  
down and  
in a few  
seconds  
a drop  
will fall.

Building strong bones and teeth require the effort of more than just calcium. Vitamin D<sub>3</sub>, a fat-soluble nutrient sourced from the sun and from dietary sources like fish oil or lanolin, helps facilitate calcium and phosphorus absorption in the body. **Bluebonnet's Liquid Vitamin D<sub>3</sub> Drops 5000 IU** specifically sourced from lanolin helps support bone mineralization, a biological process where minerals build up in the bones, causing them to harden and remain strong. ♦

- **Highly-concentrated**
- **Kosher Certified**

*A Taste of the Sun™*

**1 FL OZ (30 mL)**

**Bluebonnet's Liquid Vitamin D<sub>3</sub> Drops 5000 IU** contain natural vitamin D<sub>3</sub> (cholecalciferol) from lanolin. Each drop of this sunshine vitamin is flavored using a hint of orange and lemon essential oils. Available in liquid drops for maximum assimilation and absorption.

**CAUTION:** This is a highly concentrated formula containing 5000 IU per drop. To help prevent exceeding the recommended dose, we have employed a dropper technology that delivers more accurate dosing by dispensing slowly. Do not shake the container prior to administration and do not administer drops directly into the mouth.

**WARNING:** Keep out of the reach of children and do not go over the recommended dose in the directions or the dose provided by your healthcare practitioner.

**Directions:** As a dietary supplement, take 1 drop daily or as directed by a healthcare practitioner.

### Supplement Facts

Serving Size 1 Drop

Servings Per Container 900

| Amount<br>Per Serving             | % Daily<br>Value |
|-----------------------------------|------------------|
| Vitamin D <sub>3</sub> 5000 IU    | 1250             |
| (as cholecalciferol from lanolin) |                  |
