

BalancePom Plus combines a completely natural range of pure pomegranate fractions, including antioxidant and estrogenic compounds that work synergistically to help promote and maintain healthy hormone balance, with a well-balanced selection of traditional herbs known for their positive impact on women's health.

BalancePom Plus can help boost libido and reduce the unwanted discomforts of hormonal imbalance, such as hot flashes, night sweats, and moodiness.*

Suggested Use: Take 3-6 capsules daily with food or water.
