- ✓Vitamin C contributes to the normal function of the immune system.
- ✓Vitamin C contributes to normal collagen formation for the normal function of teeth, gums, skin and bones.

DIRECTIONS: Take 1-3 tablets a day, with meals, or as your health professional advises. Do not exceed recommended daily intake. A daily multivitamin is also recommended.

Food supplements should not be used as a substitute for a varied and balanced diet and healthy lifestyle.

Keep out of reach of children. Ensure lid is tight and store in a cool, dry, steam-free environment as damp conditions can affect the product quality.
