Certified Organic by Minnesota Crop Improvement Association (MCIA), St. Paul, MN 55108

SUGGESTED USE: As a dietary supplement, gently mix one scoop (11 g) with at least 6–8 oz of cold water and drink once per day. Store in a cool dry place and refrigerate after opening. For best results, take my Bioactive Whey Protein on an empty stomach at least 30 minutes prior to eating. Mix in water or milk and drink slowly, or simply chew the powder directly. Do not mix with acidic beverages. Scoop included.

NOTICE: Use this product as a food supplement only. Do not use for weight reduction.

Filled by weight. Some settling may occur.

Whey protein in its native form (undenatured) is recognized as one of the most efficient ways to supplement your protein intake for optimal health and wellness. My Bioactive Whey Protein comes from specially selected grass-fed dairy cows that are not hormone treated. It is guaranteed free of artificial hormones, pesticides and chemicals. To retain its native form, this protein has been minimally processed using advanced low-temperature techniques that ensure complete bioactivity in the final product.

Enjoy in good health!

• DO NOT USE IF SEAL IS BROKEN. • KEEP OUT OF REACH OF CHILDREN.
• STORE IN A COOL, DRY PLACE.
