

Vital Nutritional Support

GUARANTEED PURE

Loclo® contains soluble fiber and insoluble fiber from five sources. Health professionals regularly recommend that individuals consume diets that are low in fat and high in fiber, especially soluble fiber. Studies have also shown our diet should contain more vegetables, grains and fruit. Combined with the dietary fiber in **LOCLO®** is the SynerPro® Concentrate of cruciferous vegetables.

RECOMMENDATION

Directions: Add approximately 1 level tablespoon of **LOCLO®** fiber supplemental to 8 ounces of cold water. Shake or stir vigorously and drink immediately.

**These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.*

Caution: Take this product as recommended. Drinking enough liquid is essential. Avoid use if you have ever had esophageal narrowing or swallowing difficulties. May cause allergic reaction in persons sensitive to inhaled or ingested psyllium.

This jar was sealed for your protection. Do not use if inner seal is missing or damaged. Nature's Sunshine uses natural source materials in its products that are subject to color variation.
