SVL Lutein Complex 265 mg with Blueberry and Bilberry contains Lutemax 2020®, a proprietary ingredient with a 5:1 ratio of Lutein to Zeaxanthin, the same ratio that is naturally present in the body. These carotenoids cannot be produced by the body so supplementing with a 5:1 ratio of Lutein to Zeaxanthin product is crucial in supporting an optimal balance for eye and vision health. SVL Lutein Complex 265 mg with Blueberry and Bilberry also supports antioxidant activity by helping the body protect against the effects of free radical damage.*

Supports visual acuity and cells that fight free radical damage caused by UV light.*

Lutemax 2020® is a registered trademark of OmniActive Health Technologies Limited.

Bi-Max® and Blue-Max® are registered trademarks of Pharmachem Laboratories, Inc.
