

DO NOT USE IF SINGLE-SERVE PACKETS ARE TORN OR OPEN

This product helps **PREVENT** the **GAS, BLOATING** or **DIARRHEA** that many people with lactose intolerance may experience after eating foods containing **DAIRY**.**

HOW IT WORKS:

- This product helps to prevent the symptoms by breaking down the milk sugar (lactose) and making dairy foods easier to digest.
- This product is a dietary supplement, NOT A DRUG. This product works naturally and may be used by adults and children 4 years and over.
- May be used every time you eat food containing dairy – every meal, every snack, every day.

DIRECTIONS:

Take

Swallow a caplet with your **FIRST BITE** of dairy food. If necessary, you may take 2 caplets at one time.

Enjoy Dairy!

If you continue to eat foods containing dairy after 30-45 minutes, take another caplet.

Repeat

Consult your doctor if your symptoms continue after using this product or if your symptoms are unusual and seem unrelated to eating dairy. **KEEP OUT OF REACH OF CHILDREN.**

Store at or below 77°F. Keep away from heat and humidity.
