

BoneMaximizer™ III offers a superior source of calcium and related bone-building compounds for those who wish to support bone health throughout their life cycle.** Clinical studies have shown that Microcrystalline Hydroxyapatite Concentrate (MCHC) is superior to calcium carbonate in supporting bone health.** Active MCHC™ is derived solely from free-range, grass-fed cattle and provides whole bone proteins, peptides and other organic components in the optimal synergistic ratio to support healthy bone structure.**

BoneMaximizer™ III contains a full spectrum of bone building nutrients to maintain maximum bone density in only 3 capsules per day.**

- **The Ultimate Bone Support Formula****
- **With Active MCHC™ for Maximum Effect**
- **New form of Vitamin K2 (Menaquinone-7), 1200 IU of Vitamin D3 & more!**
