

CardioPom is an all-natural blend of pure pomegranate fractions formulated to deliver the full spectrum of pomegranate's polyphenol antioxidants, such as punicalagins, ellagitannins, and flavonoids. These powerful antioxidants work synergistically to help reduce free radicals, maintain healthy cholesterol and blood pressure levels, and promote cardiovascular health.*

CardioPom delivers the antioxidant benefits of fresh pomegranate juice – *without the sugar!* Just 2 capsules provide the equivalent amount of water-soluble punicalagins as 8 ounces of fresh pomegranate juice.

Suggested Use: Take 2-4 capsules daily with food or water.
