

Directions: As a dietary supplement, take one capsule daily or as directed by a healthcare practitioner.

Bluebonnet's Super Fruit Grape Seed Extract Capsules are derived from Champagne grape seeds imported from France. These special grape seeds are turned into an extract known as Leucoselect® supplying 100 mg per serving of grape seed extract standardized to 95% total polyphenols including oligomeric proanthocyanidins, monomeric polyphenols and flavonoids. These potent active constituents help support circulatory health and protect against the damaging effects of free radicals. Available in easy-to-swallow vegetable capsules for maximum assimilation and absorption.♦

Leucoselect® is a registered trademark of Indena S.p.A

CAUTION: Consult your healthcare practitioner prior to using this product if you are taking medication, particularly NSAIDs, or have a medical condition.
