Digestive System Support

GUARANTEED PURE

Digestive Enzymes from Plant Sources

Proactazyme is a full spectrum digestive enzyme to aid the digestion of fat, proteins and carbohydrates. This product combines three different proteases for activities over a broad range of pH (3.0-6.0).

Proactazyme is protected with an exclusive herbal blend to activate and buffer enzymes as well as relax and soothe the stomach.\*

RECOMMENDATION

Take one or two capsules with or between meals daily.
