

Our Extra Strength Probiotic 25 Billion, provides a high potency dose of sixteen beneficial microbial strains to support intestinal and immune health. ** Research shows that the MICROBAC™ live transport system increases the stability and delivery of our probiotics 5-fold, resulting in 25 billion cells providing the colonization and activity of 125 billion cells. **

Lactobacillus and Bifidobacterium strains are used to support both small and large intestinal health. ** These are further enhanced with the addition of the proven prebiotic inulin and beneficial probiotic metabolites (postbiotics) which are a result of the controlled fermentation of good lactic acid bacteria.

- Contains prebiotics, probiotics, postbiotics, and enzymes
- Supports intestinal and immune health**
- Shelf-stable, no refrigeration needed

** This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Contains **NO** added milk, egg, peanut, tree nut, fish, shellfish, soy, wheat, gluten or yeast ingredients.

25 Billion Cells =
125 Billion Cell Activity

16 Strains

30 VEGAN CAPSULES
DIETARY SUPPLEMENT

Supplement Facts

Serving Size 1 Vegan Capsule
Servings Per Container 30

	Amount Per Serving	%Daily Value*
Prebiotic (as Inulin)	200mg	†
Postbiotics (as Fermented Probiotic Metabolites)	100mg	†
MICROBAC™ 16-Strain Blend	25 Billion Cells	†
Upper GI Support		
Lactobacillus acidophilus (LA02)	3.75 Billion Cells	†
Lactobacillus plantarum (LP09)	3.25 Billion Cells	†
Lactobacillus rhamnosus (LR06)	3.25 Billion Cells	†
Streptococcus thermophilus (Y08)	2.5 Billion Cells	†
Lactobacillus casei (LC03)	1.25 Billion Cells	†
Lactobacillus plantarum (LP01)	750 Million Cells	†
Lactobacillus rhamnosus (GG)	750 Million Cells	†
Lactobacillus rhamnosus (LR05)	500 Million Cells	†
Lactobacillus reuteri (LRE02)	250 Million Cells	†
Lactobacillus salivarius (CRL1328)	250 Million Cells	†
Lower GI Support		
Bifidobacterium lactis (BS01)	2.75 Billion Cells	†
Bifidobacterium breve (BR03)	2.75 Billion Cells	†
Bifidobacterium bifidum (BB01)	1.375 Billion Cells	†
Bifidobacterium longum (BL03)	625 Million Cells	†
Bifidobacterium infantis (BI02)	500 Million Cells	†
Bifidobacterium lactis (BA05)	500 Million Cells	†
Enzyme Blend		†
Bromelain 90,000 FCC PU; Protease 4.5 3,200 HUT; Protease 6.0 2,000 HUT; Peptidase 925 HUT; Alpha Galactosidase 100 GalU.		

*Percent Daily Values are based on a 2,000 calorie diet.

†Daily Value not established.

Suggested Usage: Take 1 capsule per day or as directed by your qualified healthcare provider.
Other Ingredients: Cellulose capsule, and rice flour.
