UC-II

part # 21829

part # 21830

057961

Helps preserve joints and maintain cartilage*

Helps support joint mobility, flexibility and comfort*

Helps support bone health*

Equate™ Triple Action Joint Health* is a combination of three important nutrients that help promote joint, bone and cartilage health.*

UC-II® Collagen with Undenatured Type II Collagen is the same protein found in healthy cartilage. Via a patented stabilization process, the cartilage-derived type II collagen is preserved intact.

Hyaluronic Acid exists naturally in your joints.

Boron helps maintain normal vitamin D, calcium and magnesium levels for bone health.*

JUST ONE SMALL TABLET PER DAY
Compared to 2 Large Glucosamine & Chondroitin Tablets

Equate™ Triple Action Joint Health* vs. Glucosamine & Chondroitin

Equate™ Triple Action Joint Health* works differently than glucosamine and chondroitin supplements. Take just one tiny pill daily instead of two large glucosamine and chondroitin tablets for joint health.*
