

Sharpens mental focus, promotes clarity, stimulates cognition and boosts memory - all in one.** A single dose of **MRM Brain ACTIVE™** has been clinically shown to improve alertness, stabilize focus and elevate reaction time when a decline in mental performance has occurred.**

L-Tyrosine, L-Alpha-Glycerolphosphorylcholine, Choline Bitartrate, and Acetyl-L-Carnitine work in synergy to support the production of neurotransmitters that inevitably decline with age.**

- **Potent B vitamins battle fatigue and stress****
- **Elevation of neurotransmitter levels****
- **Supports energy levels and elevates mood****
