

MRM Veggie Meal Replacement provides a complete vegan- and vegetarian-friendly shake for those looking for a quick snack. With all the nutrients found on a well-balanced plate of food, a single scoop of **MRM's Veggie Meal** delivers the key nutritional elements to support a healthy diet.

Starting with 22 grams of protein from a precise blend of pea, brown rice, black rice and flax seed protein, along with healthy fats and carbohydrates to help get you through your day. This unique shake option delivers essential amino acids the body needs to support a healthy, robust lifestyle.

With our proprietary fruit and vegetable blend each serving contains 15,000 ORAC 5.0 units of antioxidant protection, alongside a broad spectrum of enzymes and probiotics. Specific probiotics contained in **Veggie Meal** were chosen for their diversity, and have been microencapsulated to assure stability – a strategy resulting in five times greater intestinal colonization.

MRM Veggie Meal is a refreshing alternative for those who seek something different in an instant product that neither contains whey, nor soy protein. A hypoallergenic, cholesterol-free, milk-free, soy-free and gluten-free alternative for those with sensitivities or just trying to stay away from animal or genetically modified food sources.

- **Flavorful vegan alternative to milk and soy shakes**
- **Fortified with vitamins and minerals**
- **Allergen-free, gluten-free, and cholesterol-free**
- **Excellent source of fiber**
- **No artificial flavors, colors or sweeteners**
