

Directions: As a dietary supplement, take one softgel daily or as directed by a healthcare practitioner.

Bluebonnet's Clarinol® CLA Softgels contain 1000 mg of pure, non-GMO safflower oil that contains 78 to 80% conjugated linoleic acid (CLA) with cis-9, trans-11 & trans-10, cis-12 isomers in a 50:50 ratio. Clarinol CLA's unique lipid profile with the correct isomer ratio supported by science has been shown to help sculpt or reshape bodies by reducing body fat and building lean muscle when combined with proper diet and exercise. Available in easy-to-swallow softgels for maximum assimilation and absorption. ♦
