Supplement Facts

Serving Size 1 Tablet

	Amount Per Serving	%DV
Calcium	51 mg	5%
Superoxide Dismutase/Gliadin Complex (GliSODin®) (250 IU)	250 mg	†

†Daily Value not established.

Other ingredients: dibasic calcium phosphate, stearic acid, modified cellulose gum, and colloidal silicon dioxide.

Contains wheat/gluten.

Suggested Use: 1 tablet up to 4 times daily.

GliSODin® POWER is an innovative bioavailable form of superoxide dismutase (SOD), the most important enzyme in the body for protecting the body's cells and tissues from free radical damage. Scientific research shows that GliSODin® supports the body's own production of superoxide dismutase. GliSODin® POWER is 100% vegetarian and is comprised of gliadin, a wheat protein extract, which is bound to superoxide dismutase derived from cantaloupe. The gliadin protects the SOD from degradation in the digestive tract and also promotes its absorption.*

WARNING: Do not take this product if you are allergic to wheat, gluten, or have celiac disease. Do not take it if you are pregnant, may become pregnant, or breastfeeding.

STORE IN A COOL, DRY PLACE.

Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children.

Suitable for vegetarians. Contains no yeast, dairy, egg or soy. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.

Isocell SA, France is the owner of US Patent Nos. 6,045,809 and 6,426,068B1 and trademark for GliSODin®.
