

Directions: As a dietary supplement, take two capsules once daily, preferably with a full glass of water (8 to 12 fl oz) or as directed by a healthcare practitioner.

Bluebonnet's Targeted Choice® Urinary Tract Support Capsules are specially formulated with a blend of D-mannose, cranberry fruit extract and identity-preserved (IP) vitamin C along with complementary, sustainably harvested or wildcrafted herbs and botanicals. This soothing maintenance formula helps support a healthy urinary tract by flushing waste from the system and providing a nourishing environment for healthy flora to thrive. Available in easy-to-swallow vegetable capsules for maximum assimilation and absorption.♦
