product info

Read the entire label and follow the directions carefully prior to use.

DIRECTIONS: Take one (1) softgel daily with food, or as recommended by a healthcare practitioner.

Ubiquinone CoQ10 uses a patent-pending system designed to work with body heat and intestinal pH to enhance absorption of fat-soluble nutrients. When activated by ingestion, the Ubiquinone CoQ10 oil droplets are released to form a uniform and soluble emulsion with gastric fluids.

Refrigeration of this product may result in temporary discoloration (crystallization) in some softgels. However, such temporary crystallization is normal and does not affect product quality or performance, and will reverse with warming.

Store tightly closed in a cool, dry place.

WARNINGS:

- KEEP OUT OF REACH OF CHILDREN.
- DO NOT EXCEED RECOMMENDED DOSE.
- Do not purchase if outer seal is broken or damaged.
- When using nutritional supplements, please consult with your physician if you are undergoing treatment for a medical condition or if you are pregnant or lactating.
