

Directions: Take one capsule before each meal. For maintenance, take one capsule twice daily or as directed by your healthcare practitioner.

Allergenza™ is a powerful formula uniquely designed with proprietary blends of enzymes, prebiotics and probiotics to break down gluten, dairy, fish, egg, almond, soy and peanut proteins by targeting both internal and external peptide bonds.* Allergenza™ goes beyond the traditional DPPIV enzyme, offering superior protein degradation by breaking down unhydrolyzed peptides.* Additionally, the highly specialized prebiotic, PreForPro® is unique in supporting the proliferation of beneficial bacteria in both the small and large intestines.* This plays a critical role in breaking down gluten and other proteins to promote a healthy intestinal tract.*
