

DIRECTIONS: Take 4 capsules before breakfast and 4 capsules before lunch or at mid-afternoon [2-3 pm]. Do not take after 3 pm.

Appe-Curb™ contains neurotransmitter precursors and converting nutrients that help satisfy the "reward cascade" of the brain. Satisfying the "reward cascade" of the brain may help with cravings for things that may be appealing such as drugs, alcohol and carbohydrates while improving mood swings and increasing energy.* By helping to restore all the major brain neurotransmitters, Appe-Curb™ aids in creating a balance in the brain and a feeling of well-being.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

CAUTION: Keep out of reach of children.

STORAGE: Keep tightly closed in a cool, dry place. Keep away from direct sunlight.

CONTAINS NO: Wheat, corn, gluten, soy, salt, sucrose, starch, yeast, animal products, artificial flavors, colorings, or other known allergens.
