

Directions: As a dietary supplement, take one enteric coated caplet daily or as directed by a healthcare practitioner.

Bluebonnet's Standardized Odor-Less Fresh Garlic Extract Enteric Coated Caplets provide 350 mg of fresh garlic extract from mature, premium-grade, non-GMO garlic bulbs containing potent allicin releasing potential. Available in easy-to-swallow enteric coated caplets, which allow the garlic actives to bypass the stomach and dissolve in the intestines to avoid garlic breath and stomach upset.
