Odor Control Garlic Tablets are made to Nature Made's guaranteed purity and potency standards.

†Based on Pharmacy Times Survey of pharmacists recommending Garlic Supplements.

Consumption of garlic may help support normal blood cholesterol levels already within the normal range.[†]

Nature Made® Garlic is quick-cool dried to preserve the many natural components of garlic. Nothing is added or extracted from raw garlic except the moisture. This special process yields a mild yet potent garlic product with a pleasant garlic scent. The gentle release of garlic in the body results in virtually no after odor on the breath or skin, when taken according to suggested directions.

**No Color Added • No Artificial Flavors
