

Directions: As a dietary supplement, take one vegetarian capsule daily or as directed by a healthcare practitioner.

Bluebonnet's Standardized Bilberry Fruit Extract Capsules contain Mirtoselect® from Indena, a standardized extract of anthocyanins, the most researched active constituents found in bilberry fruit. A clean and gentle water-based extraction method is employed to capture and preserve bilberry's most valuable components. Available in easy-to-swallow vegetable derived capsules for maximum assimilation/absorption and for a truly vegetarian/vegan formula.
