Weight Loss and Immune System Support

7-Keto is a safe, natural metabolite of DHEA that does not convert into the sex steroids testosterone or estrogen. 7-Keto may lower the body's weight setpoint which makes it easier to maintain a desired weight. 7-Keto also boosts the production of antibodies and cytokines, which contributes to improved immune function.*

RECOMMENDATION: Take one capsule daily with a meal.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

7-KETO is a trademark of Humanetics Corporation, Patent No. 5,296,481 and 5,292,730.

Caution: Those with hyperthyroidism should consult their health care professional prior to using 7-Keto capsules.
