

**Directions:** As a dietary supplement, take one vegetarian capsule daily or as directed by a healthcare practitioner.

**Bluebonnet's Standardized Echinacea Goldenseal Root Extract Capsules** contain a standardized extract of echinacosides and alkaloids, the most researched active constituents found in echinacea and goldenseal, respectively.

A clean and gentle water-based extraction method is employed to capture and preserve both echinacea and goldenseal's most valuable components. Available in easy-to-swallow vegetable derived capsules for maximum assimilation/absorption and for a truly vegetarian/vegan formula.

Bluebonnet's KOF-K Certification #K-0000700
