

Directions: As a dietary supplement, take one vegetarian capsule daily or as directed by a healthcare practitioner.

Bluebonnet's Standardized Elderberry Fruit Extract Capsules provide a standardized extract of polyphenols, the most researched active constituents found in elderberry. A clean and gentle water-based extraction method is employed to capture and preserve elderberry's most valuable components. Available in easy-to-swallow vegetable derived capsules for maximum assimilation/absorption and for a truly vegetarian/vegan formula.
