

**Directions:** As a dietary supplement, take one vegetarian capsule daily or as directed by a healthcare practitioner.

**Bluebonnet's Standardized Feverfew Leaf Extract Capsules** provide a standardized extract of parthenolides, the most researched active constituents found in feverfew. A clean and gentle water-based extraction method is employed to capture and preserve feverfew's most valuable components. Available in easy-to-swallow vegetable derived capsules for maximum assimilation/absorption and for a truly vegetarian/vegan formula.
