

Nature Made

TRIPLE FLEX 50+

Specialty Formulated for
Adults 50+

Triple-Ingredient Triple-Action Triple-Benefit

Glucosamine:

Basic building block for maintaining joint cartilage and helps to maintain structural integrity of your joints. Beneficial for joint elasticity and flexibility. Helps promote mobility and support.[†]

Chondroitin:

A naturally occurring nutrient found in the connective tissues, which lubricates and cushions your joints.[†]

Calcium + Vitamin D:

These nutrients are essential for building and maintaining strong bones and teeth. Vitamin D has also been shown to strengthen muscle.

Nature Made

No matter what your age joint discomfort can make you feel older than you really are.

TripleFlex lets you live as young as you feel.

TripleFlex 50+ from Nature Made helps people over 50 maintain healthy joints with a special formula designed just for them.[†]

TripleFlex 50+ works with your body naturally to help support joint comfort, mobility and flexibility.

TripleFlex 50+ provides the body with key nutrients that help support daily maintenance of your joints with:[†]

- **Glucosamine** – helps support joint comfort, mobility and flexibility[†]
- **Chondroitin** – helps lubricate and cushion the joints[†]
- **Calcium and Vitamin D** – Calcium helps build and maintain strong bones and teeth; vitamin D improves calcium absorption, helps support and maintain strong bones, and helps support healthy muscle tissue.

TripleFlex keeps you living as young as you feel.
