MULTIVITAMIN AND MINERAL SUPPLEMENT

Actual Size

Multivitamin/Mineral

A supplement providing essential vitamins and minerals for daily nutritional support of the body.*

Fish Oil with Vitamin D

Fish oil provides omega-3 fatty acids, EPA & DHA, which help support a healthy heart.** Vitamin D supports bone, teeth, muscle and immune health.† Vitamin D₃ is the body's preferred form of vitamin D.*

Magnesium

Magnesium participates in more than 300 reactions in the body and is essential for nerve, muscle and heart function. Magnesium also supports healthy bones and teeth and helps convert food to cellular energy.†

Vitamin C

Vitamin C helps neutralize free radicals and helps iron get absorbed in the body. Vitamin C also helps support the immune system.†

Alpha Lipoic Acid with Green Tea

Antioxidant properties which neutralize free radicals.†

Chromium

Chromium is necessary for carbohydrate metabolism and utilization and helps support healthy glucose metabolism.†

*Vitamin D₃ is more effective than vitamin D₂ at raising and maintaining adequate levels of vitamin D in the body.†
