

Directions: Children take 1-2 capsules daily; Adults take four capsules daily or as directed by your healthcare professional.

Cognitive Balance® provides optimal support for abnormal homocysteine levels and dopamine deficient neurological issues.* Cognitive Balance® features targeted ingredients shown to maximize vitamin transport to the nervous system and assist in production and processing of the neurotransmitter dopamine.* Dopamine plays an important role in several brain functions, including cognition (learning and concentration), behavior, motor activity, sleep and mood.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

This Formula Meets or Exceeds cGMP Quality Standards.

CAUTION: Keep out of reach of children.

STORAGE: Keep tightly closed in a cool, dry place.

CONTAINS NO: Wheat, gluten, corn protein, yeast, soy, dairy products, artificial sweeteners, colors or preservatives.
