Digestive Bitters Tonic strengthens the digestive system. Anyone who wants to improve appetite and nutritional absorption would find Digestive Bitters Tonic invigorating to the digestive system. The bitters prime the secretion of digestive juices by stimulating the bitter taste receptors on the tongue. This action stimulates appetite and improves digestive system function.*

RECOMMENDATION

Adults: Take one teaspoon (5 ml) 15 minutes before meals.

Children: Take 1/2 teaspoon (2.5 ml) 15 minutes before meals.
