

Directions: As a dietary supplement, take one vegetarian capsule daily or as directed by a healthcare practitioner.

Bluebonnet's Standardized Holy Basil Leaf Extract Capsules provide a standardized extract of ursolic acid, the most researched active constituent found in holy basil. A clean and gentle water-based extraction method is employed to capture and preserve holy basil's most valuable components. Available in easy-to-swallow vegetable derived capsules for maximum assimilation/absorption and for a truly vegetarian/vegan formula.
