

Directions: As a dietary supplement, take one vegetarian capsule daily or as directed by a healthcare practitioner.

Bluebonnet's Standardized EGCG Green Tea Leaf

Extract Capsules contain a standardized extract of total polyphenols, catechins and EGCG, the most researched active constituents found in green tea. A clean and gentle water-based extraction method is employed to capture and preserve green tea's most valuable components. Available in easy-to-swallow vegetable derived capsules for maximum assimilation/absorption and for a truly vegetarian/vegan formula.
