

Directions: Take one capsule daily or as directed by your healthcare practitioner.

DHEA is a steroid hormone produced by the adrenal glands. It is called the 'Mother Hormone' because it can be converted to other vital hormones, such as estrogen, testosterone, progesterone, etc.* Levels of DHEA drop off dramatically after age 30, and scientists feel this may be one of the reasons for aging.* DHEA is involved in a variety of health areas and it is recommended that testing for DHEA levels be performed before it is administered.*

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

CAUTION: If you are pregnant or nursing, consult with your healthcare practitioner before use. Keep out of reach of children.

STORAGE: Keep tightly closed in a cool, dry place.

CONTAINS NO: Wheat, corn protein, soy, animal or dairy products, artificial colors, sweeteners or preservatives.
