

Directions: As a dietary supplement, take one vegetarian capsule daily or as directed by a healthcare practitioner.

Bluebonnet's Standardized Rhodiola Rosea Root

Extract Capsules contain a standardized extract of rosavins and salidroside, the most researched active constituents found in rhodiola rosea. A clean and gentle water based extraction method is employed to capture and preserve rhodiola rosea's most valuable components. Available in easy-to-swallow vegetable derived capsules for maximum assimilation/absorption and for a truly vegetarian/vegan formula.
