

Directions: Take two capsules daily after meals or as directed by your healthcare practitioner.

Gluc-Response™ is a unique combination of vitamins, minerals and herbs to support the healthy maintenance of blood sugar levels.* It features high potency extracts of fenugreek (15:1), gymnema and bitter melon as well as added B vitamins and the highly absorbable mineral chelates, chromium and vanadium.* This formula may support healthy glucose and insulin metabolism and the maintenance of healthy blood lipid levels, including triglycerides.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: Keep out of reach of children.

Storage: Keep tightly closed in a cool, dry place.

Contains No: Milk, egg, fish, shellfish, wheat, tree nuts, peanuts, animal products, soy, corn protein, yeast, artificial colors, sweeteners or preservatives.
