

Directions: As a dietary supplement, take one softgel daily or as directed by a healthcare practitioner.

Bluebonnet's Standardized Saw Palmetto Berry Extract Softgels provide a standardized extract of fatty acids and active sterols, the most researched active constituents found in saw palmetto. A clean and gentle supercritical CO₂ extraction method is employed to capture and preserve saw palmetto's most valuable components. Available in easy-to-swallow softgels for maximum assimilation and absorption.
