

ProstatePom is an all-natural blend of pure pomegranate extracts formulated to deliver the full spectrum of pomegranate's polyphenol antioxidants, such as punicalagins, ellagitannins, and flavonoids. These powerful antioxidants work synergistically to help reduce free radicals, reduce inflammation, promote healthy prostate function, and provide prostate protection at the cellular level.*

ProstatePom delivers the potent antioxidant and anti-inflammatory benefits of fresh pomegranate juice – *without the sugar!* Each capsule provides the equivalent amount of punicalagins and other active pomegranate compounds as 8 oz. of fresh pomegranate juice
