

SUGGESTED USE: Take one capsule with food.

CONTAINS NO artificial colors, flavors or preservatives; no wheat, gluten, eggs, peanuts, tree nuts, soy, crustacean shellfish or fish.

Ginger has a long history of use in promoting healthy digestion, as well as aiding in nausea and morning sickness.[†] It has also been shown to support healthy joints.[†] Our 100% lactovegetarian **Ultimate Ginger Complex**® contains both ginger extract and whole ginger to provide a full-spectrum botanical with all the traditional benefits of ginger. Our formula also contains a special enzyme called cellulase for easier digestion, which allows for optimal absorption of naturally occurring nutrients in ginger. Rosemary extract is added to provide natural antioxidant protection.[†] Carnosic acid is a constituent of rosemary that provides the antioxidant activity.[†]

We Guarantee Our Supplements for Potency and Purity
